# MIXED WEEK FOR MARDY

After an opening day home draw, Mardy bounced back in exhilarating fashion in midweek with a 4-0 win against Gwent Premier team Lucas Cwmbran in the County Motors Challenge Cup.

Mardy started well and created a number of half chances virtually straight from the kick off before taking a deserved lead after fourteen minutes when Aaron Norman scored with a well placed header from a Tom Jenkins corner. Jenkins then shot over the crossbar from the edge of the box before the visitors almost caught the home team napping with a breakaway that ended with a shot hitting the woodwork. Minutes later they went close again when keeper Gareth Williams was forced into an excellent full length fingertip save to push a well struck shot away to safety. The home team regained their composure almost immediately with Liam Simmonds prominent and he put Ross Melrose away only for Lucas keeper Luke Casagrande to make a good save. Mardy weren't to be denied, however, and they increased their lead on the half hour mark when a Jenkins cross was hooked home by Nathan Price to give his side a 2-0 lead at the break.

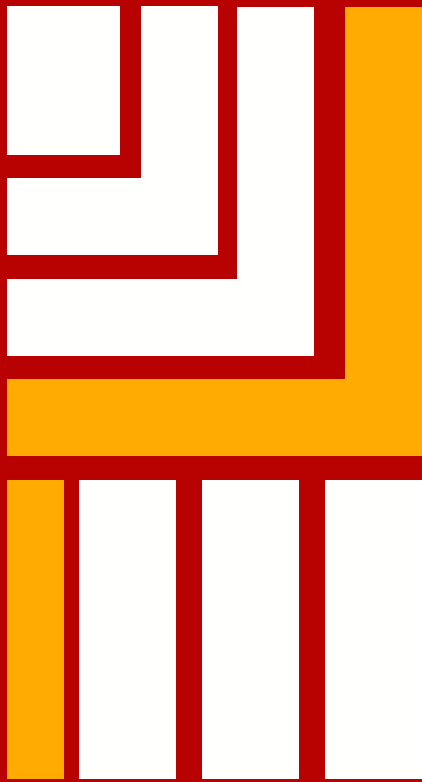

The home side continued to play with freedom after the interval with Simmonds frequently causing problems and a seemingly inevitable third goal came about when he put over a pin point cross for Dan Palmer to score with a brave header. Two minutes later, Mardy scored a fourth when Jenkins robbed Casagrande before being tripped and Ellis French stepped up to put his usual nerveless penalty into the corner of the net. The score could well have been increased on a number of occasions but, despite the home team using the wings to great effect, some lovely football was not rewarded and Max Williams was unlucky with a shot from distance that whistled just past the junction of crossbar and post shortly before the final whistle.

Saturday then saw a home game against newly promoted Ponthir but, despite dominating possession for much of the game and having more attempts on goal than the visitors, Mardy slipped to a disappointing 0-3 defeat. The home team started off well enough with Jack Williams bringing a good save out of visiting keeper

Oliver Rosemeyer who foiled Mardy on several more occasions before Ponthir took a shock lead through Daniel James. Chances kept coming and going at the other end but with an equaliser looking on the cards, it was the visitors who scored again just before the break when Rafferty Richards netted from a well taken free kick to give his side a 2-0 interval lead. The second half continued in similar vein with Mardy dominating the stats but Ponthir retaining their composure and defending well. The home side then lost both full backs to injury and the resulting reshuffle allied to mounting frustration did their cause no good and it was Ponthir who scored again through Richards to make the final score 0-3.

This week Mardy have two more home games with PILCS the visitors on Wednesday evening followed by Nantyglo on Saturday who have scored 28 goals in their last four games.
